

## 2024 Internal Medicine Meeting in Boston

# Thank you for Attending!

The Missouri, Indiana, Iowa, and Nebraska chapters hosted a Midwest Reception at the IM24 Meeting in Boston. We had more than 100 people show up for some food, drinks, ping pong, and UNO! Thank you to all who attended, and we hope many more will attend in 2025 when we are in New Orleans.

## IMM 24 Convocation Ceremony

Missouri was proud to have several of our recently inducted Fellows and award winners present at the IMM24 Convocation Ceremony. Drs. Jennifer DeLaney, Josh Mayer, and Joseph Wheeler were recognized for becoming ACP Fellows, while Dr. Fariha Shafi was recognized for being a chapter award winner. For her outstanding dedication to patients, practice, and ACP chapter, Dr. Megan Wren was awarded a Mastership (MACP) during the convocation ceremony.

Did you know you have three years to walk at convocation after you become a Fellow? If you plan to attend IMM25 and haven't walked yet, join us in New Orleans at our next meeting!

Below are a few pictures of our members, past and present, during Convocation and during the conference. We hope to connect with you in 2025!
